

# PRO PACK

Service driven... Result focused!

## MAG-LOCK DRILL CENTER

### 68 Drills, 1 Cabinet & 2 Empty Indexes

- 68 piece - 1/16 through 1/2 Diameter by 64ths
- Made of Special hi-moly tool steel in the U.S.A.
- Use in tough metal drilling applications and work hardening grades of stainless steel
- The nitro-carburization process increase Rockwell hardness and extends cutting life
- The 135° split point design is self centering
- The flatter point reduces friction
- Run cooler, less torque & cuts harder materials
- MECHANICS LENGTH offers a flat-spot shank

\* See back of sheet for sizes.

Description	Part #
Drill Dispenser-Fractional	A14580
Drill Bit Index 29 Piece Blank	C14577
Drill Bit Cylinder 29 Piece Blank	C14578

## Mirage Safety Glasses

- High-impact polycarbonate lens
- 99.9% UV Protection
- Mono lens design
- Scratch resistant coating on lens
- Lightweight wrap-around lens
- Non-slip temples
- Available in 5 lens color

Description	Part #
Clear Mirage Safety Glasses	W20970M

### Sprayon® LU™ 208 Cutting Oil

- Excellent lubricant specifically formulated for all ferrous and non ferrous machining operations.
- Extends tool life, reducing downtime
- Recommended for all metals: stainless steel & soft metal such as aluminum, brass & copper.
- Utilizes friction reducing triglycerides
- High degree of fluid film protection

Description	Part #
Sprayon® LU™ 208 Cutting Oil	M05070

# \$399.99
