DEGREASERS

DYNATEX CONTACT CLEANER

Part #

M08030

Dynatex contact cleaner removes grease, dirt, oil, and other surface contaminants from electric and electronic devices. Dynatex contact cleaner is fast drying, non-conductive, leaves no residue and is compatible with most plastics. Easily cleans oil, flux, dirt and other contaminants from contacts, switches and electric motors. This product is flammable and must therefore be used only on de-energized components and equipment.

- Removes Grease, Dirt, Oil and other surface contaminants
- Fast Drying
- No Residue

16oz. Can

MRO SOLUTION 550

HEAVY DUTY DEGREASER

Part #

M08060

Keeps engines, farm and construction equipment, and industrial machinery clean and grease-free. Soaks in and emulsifies oil, grease, and other contaminants, allowing parts and equipment to be easily rinsed off. Used to clean air compressors, conveyors, fork lifts, hand trucks, engine parts, auto and truck engines, diesel and gas engines, various types of farm equipment and industrial machinery. Also useful in cleaning tools.

- Penetrates and Cleans
- Prepares Metals for Painting
- Leaves No Residue
- No CFC's or Chlorinated Solvents
- Dissolves Grime and Grease

14oz. Can

MRO SOLUTION 510

CITRUS POWER DEGREASER

Part #

M08001

Uses the natural power of citrus peel oil to clean, degrease, and deodorize. Even though it is organic it possesses impressive solvent abilities. It works fast to penetrate and help remove dirt, dust, grease, grime, ink and evaporates quickly without streaking. Solution 510 is safe on most plastics and will not leave a sticky residue.

This products is safe for incidental food contact and contains only ingredients recognized by the FDA as safe for incidental food contact as published in 21 CFR, Parts 170-190.

- Food Grade
- Penetrates Grease and Grime
- Biodegradable
- Evaporates Quickly
